TAKE THE STRESS OUT OF PAYING FOR COLLEGE — MAKE A PLAN!

We understand that paying for college can be a daunting prospect. We want to help! This workbook is designed to help you take the stress out of paying for college by laying out the many funding options available to you. We hope that this will be a valuable resource to you as you develop a plan to make your Grove City College education a reality.

NEED-BASED FINANCIAL AID

The first option to consider is need-based financial aid. **There is no magic income number that is the cutoff between qualifying and not qualifying for financial aid**, so you should apply no matter your family's income level. The application opens on October 1 and **the deadline is April 15**. Find the application and a detailed instructional video at gcc.edu/financialaid.

NEXT STEPS

- COMPLETE GROVE CITY'S FINANCIAL AID APPLICATION
- SUBMIT W2S AND TAX RETURNS

MERIT-BASED SCHOLARSHIPS FROM GROVE CITY

NEXT STEPS

- APPLY FOR ADMISSION
- COMPLETE THE TRUSTEE SCHOLARSHIP QUESTIONNAIRE
-OR-
- COMPLETE THE AMRS QUESTIONNAIRE
- ASK A PROFESSOR ABOUT DEPARTMENT-BASED SCHOLARSHIPS
(CURRENT STUDENTS)

Second, you can apply for our merit-based scholarships. Grove City's competitive **Trustee Scholarship** program offers scholarships ranging from \$8000 up to full tuition and room & board costs for all four years.

Our **Alumni Merit Reward Scholarship (AMRS)** is offered to up to 120 incoming freshmen each year, for as much as \$6000 your freshman year. (If you apply for the Trustee Scholarship, you will automatically be considered for the AMRS.) **There are also GPA-based scholarships and department-based scholarships available once you've enrolled.**

Check out gcc.edu/scholarships for details.

STATE GRANTS

Third, you should always apply for state grants. While Grove City does not accept any federally funded grants, we do accept state aid, and some states — even outside of Pennsylvania — allow you to use state grants to attend Grove City! This means that you should always **fill out the FAFSA to apply for state grants**, even if you do not live in Pennsylvania.

Check with your high school guidance office or your state's Higher Education Assistance Agency to see what grants are available to you.

NEXT STEPS

- VISIT YOUR STATE'S HIGHER EDUCATION ASSISTANCE AGENCY FOR STATE AID OPTIONS.
- ASK YOUR HIGH SCHOOL GUIDANCE COUNSELOR FOR STATE GRANT RECOMMENDATIONS.
- COMPLETE THE FAFSA TO APPLY FOR STATE GRANTS.

TAKING OUT STUDENT LOANS

Next, if you are considering taking out a loan to help pay for school, be sure to do your research and work with your parents or other financial advisors to find the best rate for you — Most banks and lending companies offer student loans. **Some private organizations even offer interest free student loan programs for residents of certain counties**, such as Stark County, OH, Mercer County, PA, and Lancaster County, PA. So be sure to investigate to see if these are available where you live. Just ensure that the loan you choose is private, and not federally funded.

Use the space below to keep track of your loan research, so that you can easily determine your best options.

NEXT STEPS

- DO A WEB SEARCH FOR ANY INTEREST-FREE LOANS BASED IN YOUR COUNTY.
- RESEARCH LOCAL AND NATIONAL BANKS TO FIND THE BEST RATES AND PAYMENT PLANS.
- CALCULATE THE TOTAL INTEREST AND TIME IT WILL REQUIRE TO PAY BACK YOUR LOAN.
- ASK YOUR PARENTS OR OTHER TRUSTED FINANCIAL ADVISOR FOR HELP AND RECOMMENDATIONS
