CONFIDENTIAL

Return this form to Grove City College Admissions Office

Instructions for Completing

The International Student Financial Aid Application is designed to gather information from international students who are applying for financial aid at colleges and universities in the United States. When completing the application, it is important to:

- answer all questions that apply to you and your family;
- convert all currency figures to U.S. dollars (\$) before entering them on the form; and
- return the form directly to Grove City College Admissions Office.

Some of the questions on the International Student Financial Aid Application are self-explanatory; the instructions that follow are only provided for questions that may need further explanation.

Section A—Student's Information

This section pertains to the student who is applying for aid.

Section B—Parents' Information

On this application "parents" means the custodial parent(s) — the parent or parents (or legal guardian) the student lives with. If the student's biological or adoptive parents are divorced or separated, the custodial parent(s) are the parent or parents with whom the student has lived the most during the 12 months prior to filling the application. If the custodial

parent has remarried, "parents" includes the student's bio - logical/adoptive parent and stepparent.

- 15. Write in the number of people who live in your parents' household and are supported by their income.
- 16. Complete all parts of this question. Include family members counted as your dependents in question 11 and/or counted as your parents' dependents in question 15.

Section C—Financial Information

17. We require you to submit documentation to verify information on this form. Check with the college to determine its requirements.

Section D—Asset Information

Asset information pertains to the parents or to the student and the student's family if the student is married and lives independently of the parents.

Write in the value of assets and, where asked, any debt against the asset as of the time you complete this application.

Section E—Expenses

29. Write in the annual amount your family spent on the items listed. If you do not know the actual amount, please estimate.
