**From the National Association for College Admission Counseling Statement of Principles of Good Practice:**

"Early Decision (ED) is the application process in which students make a commitment to a first-choice institution where, if admitted, they definitely will enroll. While pursuing admission under an Early Decision plan, students may apply to other institutions, but may have only one Early Decision application pending at any time. Should a student who applies for financial aid not be offered an award that makes attendance possible, the student may decline the offer of admission and be released from the Early Decision commitment. The institution must notify the applicant of the decision within a reasonable and clearly stated period of time after the Early Decision deadline. Usually, a nonrefundable deposit must be made well in advance of May 1. The institution will respond to an application for financial aid at or near the time of an offer of admission. Institutions with Early Decision plans may restrict students from applying to other early plans. Institutions will clearly articulate their specific policies in their Early Decision agreement."

If accepted under the Grove City College Early Decision plan, you must withdraw the applications submitted to other colleges and universities. However, you do not have to withdraw other applications until you have received notification about financial aid, if you are a financial aid candidate. Please make sure your Grove City College financial aid application and required financial documents have been submitted to the Grove City College Financial Aid Office prior to Jan. 1 to ensure a timely financial aid response.
