TUITION PAYMENT PLAN

Grove City College has two tuition pre-payment plans available to allow students to spread annual tuition and room and board payments over a ten-month or five-month period. The AutoPay Plan offers automatic payments to be charged to either your bank account or a credit card on the first business day of the month. There is no fee to enroll in the AutoPay Plan. Under the Traditional Plan, you receive coupons for mailing monthly payments to the College. The annual fee to enroll in the Traditional ten-month plan is \$50, and the fee for the Traditional five-month plan is \$25. There are no other costs to the plans, which are administered by the College. Enrollment information for either plan may be obtained by calling the Student Accounts Coordinator at 724-458-2209.

REFUNDS

A student who voluntarily withdraws from the College within the first twenty-one (21) calendar days of the semester may be refunded a portion of the tuition charges in accordance with the following refund schedule:

- Withdrawal prior to matriculation (first day of classes)100% refund
- Withdrawal within seven calendar days after matriculation75% refund
- Withdrawal within fourteen calendar days after matriculation50% refund
- Withdrawal within twenty-one calendar days after matriculation . . .25% refund
- Withdrawal twenty-two or more calendar days after matriculation . . .No refund

Students planning to withdraw or transfer from Grove City College must immediately contact the Registrar's Office on the ground floor of Crawford Hall (registrar@gcc.edu or 724-458-2172) to officially withdraw.

Medical/Military Withdrawal

A student who must withdraw from Grove City College upon a physician's written recommendation or who is a military reservist and is called to active military duty will be refunded a prorated portion of tuition, room and board charges based on the number of days in attendance. This prorated refund will be granted for medical/military withdrawal regardless of the time of withdrawal during the semester. Documentation supporting the physician's written recommendation must be received by the Student Life & Learning Office within two weeks of a medical withdrawal.

Voluntary Withdrawal

A student who voluntarily withdraws from the College within the first twenty-one (21) calendar days of the semester may be refunded a portion of the tuition charges. No refund of tuition is made twenty-two or more days after matriculation. A prorated portion of the board charge, which covers the cost of food, may be refunded, except that no refund is made when the withdrawal occurs during the last two weeks of the semester.

Students voluntarily withdrawing may also be eligible for a prorated refund of room fees if the College is able to fill the bed being vacated within seven days of the withdrawal. There will be no refund of the room charge when the College is unable to fill the vacated bed within seven days. No refund of the room charge is made when the voluntary withdrawal occurs during the last two weeks of the semester.

If a student is absent for two consecutive weeks or more due to illness, one-half of the board charge for the period of absence may be refunded, provided the student's physician in attendance certifies that the illness was of such a nature as to render the student's return to college impossible. No refund is made for absence during the first two weeks or the last two weeks of a semester.

No refund of any kind is made when a student is suspended or dismissed from the College, including, but not limited to, application and matriculation fees.

The matriculation deposit is refunded after graduation once all graduation requirements have been satisfied.

The guidelines noted above for tuition will also be used to refund financial aid to the provider of the aid unless specified otherwise by the donor. In the event the student has received a Grove City College student loan during the current term, all current Grove City College charges will be paid and any remaining credit balance, up to the loan amount, will be used to repay the student loan prior to any refund to the student.

FINANCIAL AID PROGRAM

The generosity of alumni and friends of the College has made the Grove City College Financial Aid Program possible. Under the direction of the Board of Trustees, the College administration makes every effort to keep charges as low as possible, thereby, in effect, providing every enrolled student with significant financial assistance.

In addition, a number of scholarships, the Grove City College Student Loan and work opportunities are available to assist qualified full-time students. Scholarship assistance is based on need and academic achievement, and must be applied for each year. Although financial assistance is awarded for the full academic year, if changes occur in the need factor, the College may increase, reduce or withdraw assistance at the beginning of any semester.

Any student or prospective student seeking financial assistance is required to apply each year. Full details are available in the Financial Aid Brochure or on the College web site (www.gcc.edu). Every effort is made to provide financial assistance for applicants who meet the academic qualifications and need requirements; however, all applicants must be full-time students who are making academic progress. Grove City College does not discriminate on the basis of age, race, color, creed, sex, marital status, disability, or national or ethnic origin in the administration of its scholarship and loan programs.

Securing financial aid from any source outside the College is a student's responsibility. Upon a student's request, the College will certify a student's enrollment and provide other data with the clear understanding that it is fulfilling a service to its students. The provision of such service, however, does not indicate that the College is a recipient of the grant or loan funds received by the student, that it is in any way administering any portion of the external program, or that it is responsible for decisions made by outside donors or lenders (private or public). The College performs these limited services for all students seeking private or public financial aid, except as stated in the following paragraph:

Grove City College does not certify any loans under the Federal Family Education Loan Program (Stafford and Parent PLUS loans) or participate in the William Ford Direct Loan Program; the Perkins Loan Program; Pell Grants; Robert C. Byrd Honors Scholarships; Academic Competitiveness Grants; TEACH Grants; SMART Federal Grants; Supplemental Education Opportunity Grants; Federal Work Study; President's Service Challenge Scholarship through the Corporation for National and Community Service (also known as the Americorps Scholarship); Paul Douglas Teacher Scholarships; National Science Scholars Program Scholarships; National Academy of Science, Space, and Technology Grants; Presidential Access Scholarships; ROTC Scholarships; educational benefits from the Department of Veterans Affairs; assistance through the Office of Health and Human Services (such as grants from the Office of Vocational Rehabilitation or Blindness and Visual Services); JTPA; or any other scholarships or loans which may be construed as providing direct or indirect federal aid to the College. The College will also not allow any student to register for classes if it is aware that a student has accepted or received such federal financial aid for that semester.

Grove City College has carefully reviewed the legislation pertaining to the new GI Bill (a package of educational benefits available to U.S. military veterans and their dependents); unfortunately, the College is unable to receive funds, certify eligibility, or otherwise participate in this program because it is considered federal financial aid.

SCHOLARSHIPS

The income from a number of endowment funds is available for scholarship aid to students who qualify on the basis of scholarship, financial need, and character. The Scholarship Committee, on a year-to-year basis, awards these scholarships. Applications and supporting documents must be in the Financial Aid Office on or before April 15 preceding the school year for which scholarship aid is requested (December 15 for students matriculating mid-year). Ordinarily, a continuing student must have a cumulative QPA of 2.50 to qualify for financial aid. Current Grove City College students demonstrating "high need," as defined by the Financial Aid Office, may be eligible for awards if they have a CQPA of 2.00 or higher. Consult the Grove City College Financial Aid Brochure on-line at www.gcc.edu for complete details.

How to Apply for Scholarship Aid

All students, prospective and continuing, who are applying for scholarship assistance, must submit a Grove City College Financial Aid Application to the Financial Aid Office each year by April 15. The application may be downloaded from the Financial Aid page of the College web site at www.gcc.edu.

Grove City College does not participate in any federal aid programs, and it does not utilize the Free Application for Federal Student Aid (FAFSA) in applying for College financial aid programs, however, it is required for many state grants. The FAFSA is generally required in applying for financial aid from non-federal public sources, such as State Grants, in which the College does allow its students to participate. Students should check with the specific aid source to determine which forms are required for consideration by that source.

To expedite the financial aid process, students should apply as soon after January 1 as possible. In order for the College to process a Financial Aid Application, students must include all required documents with the application. Financial aid is awarded annually based on the aid application deadline and available funds. All applications are due in the Financial Aid Office by April 15. Applications received from April 16 to July 1 will receive 50% of the scholarship that otherwise would be awarded. Applications received after July 1 will not receive a scholarship award. Transfer applicants should contact the Financial Aid Office regarding deadlines.

Financial aid decisions cannot be made until the student has been accepted for admission and has paid the acceptance fee. Although applicants must be offered admission to Grove City College to receive need-based financial aid, applicants should not wait for an offer of admission before applying for financial aid. Beginning March 15, incoming freshmen will be mailed an award letter within three weeks of receipt of an application in the Financial Aid Office.

Students seeking financial aid must reapply for financial aid and loans each year.

LOAN FUNDS

Students who need help in meeting their educational expenses may borrow money using the Grove City College Student Loan program or any other private loan program of their choice. Grove City College student loan applications will be available on-line at

www.gcc.edu after May 1st each year. Please contact the Financial Aid Office to verify the College's participation in the program before applying for other private loan funds.

The Grove City College Student Loan

Individuals who are at least half-time students of Grove City College and who are US citizens or permanent US residents are eligible to borrow under the Grove City College Student Loan Program. Loans under this program are not based on need or credit-worthiness, co-signers are required for students under 18 years of age. The annual amount available for freshmen and sophomores is limited to the cost of education less other financial aid, not to exceed \$8,500. The annual amount available for juniors and seniors is limited to the cost of education less other financial aid, not to exceed \$15,000 per year, for a lifetime maximum of \$45,000. There is an origination fee for loans under this program, and interest is variable quarterly based on the 91-day U.S. Treasury Bill rate plus a margin. Repayment of the loan may be deferred until the student leaves school.

All students who receive a Grove City College Student Loan must attend a College-sponsored seminar on debt management after receiving their first loan, in order to receive any additional loans. A second seminar, on credit, is required during their sophomore year.

Applications for loans should be completed three weeks prior to needing the funds for payment.

ACADEMIC PROGRESS

Grove City College defines academic progress as earning a minimum of 24 credit hours during a single academic year (September through August). Students must make academic progress to remain eligible for financial aid from the College and for the GCC Student Loan. Additionally, students may be subject to the academic progress standard for scholarships, grants or loans received from sources outside of Grove City College, such as PHEAA State Grants and should refer to the guidelines for each program for complete details.

The College's Financial Aid Office reviews all academic records at the conclusion of each academic year to ensure students are making academic progress and to determine eligibility for the College's Student Loan program. A student who drops courses; withdraws entirely from a semester; or receives either "F – failing" or "I – incomplete" grades may fall below the minimum of 24 earned credit hours required for satisfactory academic progress. These students will be ineligible to receive financial aid from the College and through the Grove City College Student Loan Program until academic progress has been made.

A student who fails to make academic progress and is denied financial aid may submit a written appeal, with supporting documentation, to the College's Financial Aid Office within 14 days of being denied financial aid.

WORK OPPORTUNITIES

A number of positions are available on campus for students who need to support themselves financially. Students who excel in some fields are often given an opportunity to serve as departmental, laboratory, or library assistants. Applications for work on campus may be filed with the Student Employment Office. Applications for incoming freshmen are distributed in their freshman orientation packets. Priority is given to students with financial need demonstrated through the College's aid application. There are limited openings for part-time work in the local Grove City community.
