

2010-2011 Traditional Payment Plan

The Traditional Payment Plan allows you to make monthly payments toward your student account via check, money order, or online (see Steps for Single Online Payment listed below).

10-month plan (Fall and Spring Semesters)

- April 1st - August 2nd for Fall Semester
- September 1st - January 3rd for Spring Semester
- \$50 non-refundable Enrollment Fee

5-month plan (Fall Semester Only)

- April 1st - August 2nd for Fall Semester
- \$25 non-refundable Enrollment Fee

5-month plan (Spring Semester Only)

- September 1st - January 3rd for Spring
- \$25 non-refundable Enrollment Fee

Using the worksheet below, estimate your net plan amount for 2010-2011. You will then divide this amount by the number of monthly payments in your plan (10 or 5). Depending on when you enroll, you may need to catch up your payments to the current month. Payment coupons will be mailed to you once we receive your enrollment. You can make payments online, however, they are not automatic and must be initiated each month. When you receive your actual semester bills, the amount of the August and January payments can be adjusted to cover any additional amount due for that semester.

Regardless of the number of payments and the amounts paid, your student account balance must still be paid in full by the semester payment due date. For 2010-2011, these dates are August 2nd for the fall semester and January 3rd for the spring semester.
