Attendance Requirements

Grove City College provides a chapel/convocation program to promote each student's spiritual and moral development during the student's collegiate educational experience. Chapel services are the common expression of our Christian faith as members of the campus community. Thus, chapel/convocation attendance is a core component of the student's experience at Grove City College.

Semester attendance requirements:

1. Full-time students (12 or more credits): 16 chapels.
2. Students enrolled at least half-time but less than full-time (six to 11 credits): eight chapels.
3. Students enrolled less than half time (five or fewer credits): not required to attend.

Enrollment status will be determined for each student at the conclusion of the course drop/add week. Withdrawing from courses after that date will not affect the number of chapels owed during a semester. A student enrolled as an undergraduate beyond the four-year degree period must attend chapel within the requirements listed above. Semester requirements not fulfilled must be made up.

A student who owes 10 or more chapel requirements on or after his/her class's registration date will not be permitted to register for the next semester or obtain transcripts until the requirement is met. Transcripts will be held for students who withdraw or transfer from the College with 10 or more unfulfilled chapels. Any student who has not fulfilled the chapel attendance requirement by graduation will not be certified as a graduate until the requirement has been satisfied. Students owing more than six chapel requirements will not be permitted to participate in the College's Commencement ceremony.
