Attendance is valid only for students present at the beginning of the service. Student ID cards will be scanned upon exiting. Those arriving late may go to the balcony to participate without credit. Services are announced weekly in *The Collegian* and on the Chapel Web site. A chapel attendance in question must be addressed within two weeks of that date.

All are invited to arrive early for personal devotions, private meditation or to sing praises with the Chapel Worship Team at 9 a.m. Please do not bring beverages into the Chapel, and turn off cell phones.

Freshmen will report to Crawford Auditorium each Tuesday and Thursday from Sept. 3 to Oct. 20.

Attendance Requirements

Grove City College provides a chapel/convocation program to promote each student's spiritual and moral development during the student's collegiate educational experience. Chapel services are the common expression of our Christian faith as members of the campus community. Thus, chapel/convocation attendance is a core component of the student's experience at Grove City College.

Semester attendance requirements:

1. Full-time students (12 or more credits): 16 chapels.
2. Students enrolled at least half-time but less than full-time (six to 11 credits): eight chapels.
3. Students enrolled less than half time (five or fewer credits): not required to attend.

Enrollment status will be determined for each student at the conclusion of the course drop/add week. Withdrawing from courses after that date will not affect the number of chapels owed during a semester. A student enrolled as an undergraduate beyond the four-year degree period must attend chapel within the requirements listed above. Semester requirements not fulfilled must be made up.

A student who owes 10 or more chapel requirements on or after his/her class's registration date will not be permitted to register for the next semester or obtain grades or transcripts until the requirement is met. All grades and transcripts will be held for students who withdraw or transfer from the College with 10 or more unfulfilled chapels. Any student who has not fulfilled the chapel attendance requirement by graduation will not be certified as a graduate until the requirement has been satisfied. Students owing more than six chapel requirements will not be permitted to participate in the College's Commencement ceremony.
