

2023–2024 GROVE CITY COLLEGE DINING GUIDE

Dining is an essential part of the student experience, both building community and fueling the mind and body of our busy students. Our number one priority continues to be delivering an exceptional dining experience safely to our guests. While our fall program offerings are still being finalized, rest assured that students will find delicious, made from scratch food with rotating features that offer a wide variety of choices, menu selections to accommodate special diets and allergens, and friendly faces to serve you.

DINING OPTIONS

Just because you're away from home doesn't mean you shouldn't have delicious, quality meals. Grove City's goal is to provide the BEST possible dining experiences, serving up nutritious food with lots of variety so you can find what you need to stay healthy. You'll have the chance to try new things, but you'll also be able to order up a good old-fashioned sandwich or slice of pizza.
