PROGRAM DESCRIPTION

Grove City College's 30-credit online Master of Science in Accounting degree will deepen the knowledge of accounting principles while delving into the domains of tax compliance and reporting, information systems and controls, and business analysis and reporting. Students will develop the expertise needed to sit for the CPA, CMA or CFE exam, while also strengthening leadership, technical, and analytical skills. Working under the tutelage of Grove City College's renown faculty, students will be prepared to meet the changing skills and competencies needed in the accounting profession as it serves the public trust in today's challenging business environment.

MASTER OF ACCOUNTING

- In this 30-credit-hour program, students delve into functional accounting topics while utilizing the most current technologies and methodologies, gaining the necessary skills to create meaningful strategies for clients.
- 100% online.
- Full-time and part-time tracks available.
- +1 options are available.
- Online bridge program is available for those without entry requirements.

REQUIREMENTS

- Online application open now.
- \$50 application fee.
- Official transcripts and two letters of recommendation – Institution of record must electronically send official transcript to: GraduatePrograms@gcc.edu.
- Please consult the respective program at www.gcc.edu/gradprograms for additional details.
- GMAT (not required for 2023 admission).

ACCREDITATION

Grove City College's master's programs are accredited by the Middle States Commission on Higher Education, a voluntary, non-governmental, regional membership association currently serving higher education institutions in Delaware, the District of Columbia, Maryland, New Jersey, New York, Pennsylvania, Puerto Rico, the Virgin Islands, and other geographic areas in which the Commission conducts accrediting activities.
